

We are delighted to introduce you to (parentesi)

A suspended moment where gastronomy, music, art and conscious consumption
create a stimulating dialogue.

We believe in food as unity, a form of cultural connection and discovery in a
non-ordinary reality.

Available for tailor-made catering services, cooking workshops, consultancies
or hosting itinerant private events.

()

Pietro Platania

Diplome de Cuisine Le Cordon Bleu, Paris (2009)

Our professionally trained italian chef is in
activity for more than a decade, having
worked in several Michelin starred
restaurants across Europe.

Le Bristol***, Paris (2010)
Chef Eric Frechon

Having run Banco Natural Food in Rome for
five years, he recently moved to Berlin to
propose his own vegetarian cuisine, with a
particular attention on nutrition and
sustainability.
